Northgate Ward

Chermside, Kedron + Wavell Heights Update

Lord Mayor Adrian SCHRINNER

A message from Adam

As another year draws to a close it has been satisfying and insightful to reflect on what has been delivered in Northgate Ward over the past few years.

As your local Councillor, I've worked hard to ensure our Ward gets its fair share. I am really proud of our local suburbs, and I remain committed to working with residents to deliver constant improvements in our community. As a result of feedback, I am continuing to progress existing projects and have some new initiatives in the planning stages.

A wide range of projects have been delivered including over 100 park upgrades, more than 150 road projects, and numerous other projects including new pedestrian bridges, bikeways, facility upgrades and much more.

I have thoroughly enjoyed getting out and about, attending hundreds of community events and meeting local residents. I have provided grants to numerous sporting clubs and community organisations to ensure they can continue to deliver their services and programs.

It has been a pleasure working with residents to deliver these projects that enhance our community and maximise our great Brisbane lifestyle.

I am always keen to hear from residents about ideas and improvements in our community as we work together making the Northgate Ward of tomorrow even better than today.

Delivering for our local area

I know I don't stand alone when I talk of my pride for our local suburbs, and for good reason.

The Northgate Ward is a great place to live, work and relax. Residents enjoy easy access to key public transport infrastructure, good proximity to the motorway and the airport, in addition to a great range of inviting parks and bikeways.

While much has been achieved over the past few years, we are just getting started. I have a vision to make this area even better. My main motivation continues to be improving our public spaces and upgrading our transport network. That means better parks, roads, bikeways and amenities, plus more opportunities for recreation and fun in our local area.

As part of our plan to get you home quicker and safer, important road infrastructure initiatives have been undertaken locally, including the signalised crossing on Shaw Road, the intersection upgrade at Newman and Main Rds with traffic lights and the improvements to Leckie Rd, Castle St and Sadler St precinct works to start soon.

Have your say

I'm proud to share this selection of projects delivered by Council since I've been the Councillor for Northgate Ward. Please contact my office if you'd like to learn more, or if you have any suggestions for local upgrades. I look forward to making our community even better in the future.

Northgate Ward

Council Upgrade Highlights

H1 Wavell Heights Village Precinct Project

- ✓ Footpath upgrades to improve accessibility, maintenance and visual amenity
- ✓ Bus stop upgrades incorporating standard street furniture
- ✓ Tree planting to improve visual and physical amenity, while providing shade
- ✓ Groundcover plantings to new garden beds
- ✓ Unique street furniture
- ✓ Improving pedestrian safety by upgrading the existing pedestrian crossing

H2 Shaw Road Sports Precinct Intersection Upgrade

- ✓ Dedicated pedestrian and cyclist crossing facilities at the new traffic signals
- ✓ Two new sealed off-road car parks with capacity for up to 70 vehicles
- ✓ Widening the west side of Shaw Road at intersection to provide an additional through lane on Shaw Road in both directions during peak periods
- ✓ 4.2m wide kerbside lanes for shared vehicle and cycle use
- ✓ Relocating the southbound bus zone to the south of the sports precinct entrance
- ✓ Relocating the northbound bus zone to the north of the sports precinct entrance
- ✓ Separated right and left turn lanes exiting the sports precinct
- ✓ Upgrading shared pathway connections on both sides of Shaw Road
- ✓ Landscaping works

H3 Signalled Intersection, Main Ave + Newman Rd

- ✓ New traffic signals including controlled pedestrian crossings
- ✓ Additional lanes on Newman Road
- ✓ Widening existing footpaths
- ✓ Implementation of permanent and part-time parking restrictions
- ✓ Associated tree removal and landscaping works, including offset planting of 19 mature trees in the local area
- ✓ New line marking and pavement works

H4 Intersection Upgrade, Hamilton + Sandgate Roads

- ✓ Minor road widening
- ✓ Reconfiguring road alignment to create a second right-turn lane from Hamilton Rd to Sandgate Rd
- ✓ Extending the length of the left-turn pocket on Hamilton Rd
- ✓ Dedicated right-turn pocket westbound on Hamilton Rd into Wade Street
- ✓ New footpath on the northern and southern side of Hamilton Rd
- ✓ Landscaping works

H5 Edinburgh Castle Road + Zeehan Street

- ✓ Area beautification, garden beds and landscaping
